

MUHAMMAD ASIM

FRONT END DEVELOPER

WORK EXPERIENCE

I am Asim, a dedicated front-end developer with a passion for crafting visually appealing and responsive web interfaces. Currently pursuing a diploma in Advanced Diploma in Software Engineering (ADSE) from Aptech Pakistan, I am an intermediate pass with a keen interest in staying updated with the latest developments in front-end technologies. My practical experience includes working with HTML, CSS, and JavaScript, along with proficiency in utilizing frameworks such as Bootstrap and jQuery. I am eager to contribute my skills and enthusiasm for web development to further enhance my capabilities and contribute meaningfully to a dynamic team.

Projects:

1. Prime-fitness .

Developed a comprehensive fitness website featuring for dedicated sections for well equipped gym.

2. Picnic gamex.

Independently conceptualized an developed a picnic game x website .
